**RESPONDENT'S MOTION TO DISMISS**

**INTRODUCTION**

Respondent respectfully moves to dismiss the instant Petition of David Stern pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure. The Petition challenges the date on which Stern would be released to community confinement. The Petition should be dismissed because it fails to state a claim. Among the reasons justifying dismissal are that the new policy announced by the Bureau of Prisons ("BOP") in December 2002 with respect to community confinement correctly applied the relevant law, in particular 18 U.S.C. §3624(c). The grounds for this motion are set forth more fully in the Memorandum of Law submitted herewith and the accompanying Declaration of Patrick Ward.

**CONCLUSION**

For the foregoing reasons, the Plaintiff's Complaint fails to state a claim upon which relief can be

granted, and, accordingly it should be dismissed.

Respectfully submitted,

DAVID WINN
